

Omega Seamaster Ref. 196.0134 Two Tone Steel & 14k Gold
£2,000.00

Steel, 14k gold, and a grey dial come together here in a Seamaster that’s effortlessly cool.

Our present Omega Seamaster, reference 196.0134, is a very charming two?tone everyday piece.

Its stainless steel case with 14k yellow gold bezel gives it just the right touch of warmth and elegance on the wrist.

The grey textured dial keeps things clean and refined, and a neatly framed date window at the classic 3 o’clock position.
