

Rolex Cellin
£4,295.00

Watch: Rolex Cellini 3803 Watch Only c.1970
Stock Number: CHW7648
Price: £4,295

Elegant, understated and unmistakably a Cellini , this vintage Rolex, reference 3803, is a superb example of the brand's dedication to dress watch design during the 60s and 70s. Dating from approximately 1970, based on the serial number, this striking timepiece showcases the refined aesthetic for which the Cellini collection has become renowned.

The distinctive tonneau-shaped white gold case houses a captivating sunburst blue dial that changes beautifully under different lighting conditions, ranging from deep navy to vivid electric blue. Applied baton hour markers and slender hands create a clean, minimalist display, allowing the remarkable dial and elegant proportions to take centre stage. Free from unnecessary complications, the Cellini embodies the timeless sophistication expected of Rolex's dedicated dress watch line.

Presented in good overall condition with age-appropriate signs of wear consistent with careful use, the watch remains a highly attractive vintage example. It is offered in good working order and is supplied with our comprehensive 12-month warranty for complete peace of mind. Not to be used in water due to age.

A stylish alternative to the more commonly seen Rolex sports models, this vintage Cellini offers collectors and enthusiasts the opportunity to own a rare and distinctive piece from one of the world's most prestigious watchmakers.
