Our View

The 21 Must de Cartier occupies a unique place within Cartier's history, blending the elegance of the maison's classic designs with a more contemporary and sporty character. Its instantly recognisable bezel and clean silver dial create a look that remains stylish decades after its introduction.

The compact 28mm case makes it exceptionally comfortable on the wrist and perfectly suited to daily wear. As interest in vintage Cartier continues to grow, models such as the 21 Must are attracting increasing attention from collectors seeking distinctive designs from one of the world's most prestigious jewellery and watch houses.

A stylish, practical and increasingly desirable vintage Cartier that represents excellent value within today's market.
