

Victorian Di
£995.00

An elegant late Victorian Diamond Daisy Cluster Ring, crafted in 18ct yellow gold and set with approximately 0.65 carats of victorian old brilliant cut diamonds. The cluster is centred with a bright 0.25ct diamond, surrounded by a halo of 8 matching diamonds in a timeless daisy arrangement totally 0.40cts. The stones display the lively sparkle and character so admired in antique-cut diamonds. The diamonds are H-I in colour and VS2. The head is mounted in white metal to enhance the brilliance of the diamonds, while the beautifully tapered 18ct yellow gold shank features attractive split shoulders with finely carved detailing. This ring can be resized. Please contact us if you would like to know more about this pretty ring or visit us at Saddingtons Jewellery, Mayfair.
