

Plain 18ct Y
£1,750.00

A charming late 19th-century oval locket, beautifully crafted in rich 18ct yellow gold, circa 1890.

This elegant locket features a softly contoured, polished surface with a warm, buttery patina developed over more than a century. The interior retains its original frames, ready to hold two cherished photographs or mementos. Subtle wear adds to its authenticity and antique charm.

A classic Victorian keepsake, perfect worn on a fine gold chain for an understated yet sentimental look.
