

Rolex Day D
£20,000.00

A luxurious take on one of Rolex’s most recognisable designs.

Our present Rolex Day-Date with the reference 1803 features a confetti dial with the day displayed in full at 12 o’clock, balanced by the date window at 3 o’clock beneath the signature Cyclops magnifier.

Its 36mm Oyster case in 18K white gold offers classic, versatile proportions, with a fluted bezel adding texture and catching the light against the cool tone of the precious metal.

The serial number in between the lugs dates this timepiece to 1972.

Comes fitted on its Rolex 18K white gold President bracelet.

For the wrist shot photo our model has a circa 14.76 cm / 5.81 inches wrist.

Inside beats a Rolex calibre 1556 automatic movement.

It has been thoroughly inspected by our watchmaker, is fully functioning and keeping good time.
To give collectors peace of mind we provide a 1 year mechanical warranty.
