Nautical detail with an understated sporting edge.

Our present Omega Seamaster Aqua Terra features a blue dial with the collection’s distinctive horizontal “teak” pattern, inspired by the wooden decks of luxury sailboats.

Its 41mm stainless steel case with flowing lugs and a smooth bezel gives the watch a clean and versatile profile.

Fitted to its Omega signed stainless steel bracelet, the watch has a cohesive appearance that complements the case’s flowing lines and understated sporting character.

Inside beats the Omega Co-Axial Master Chronometer calibre 8900 automatic movement.

It has been thoroughly inspected and serviced by our watchmaker, is fully functioning and keeping good time.

To give collectors peace of mind we provide a 1 year mechanical warranty.
