

Pair of Meissen cups and saucers POA

Pair of pretty 19th century Meissen flower-encrusted cabinet cups and saucers. The bodies of the cups and reverse of saucers encrusted with forget-me-nots amongst foliage. Both cups and saucers have 6 pegged feet, the beauty of the design being the cups can be displayed either on the front on the front or reverse of the saucers, circa 1880
