

### **Long Gold Chain from The Gilded Lily** **£12,000.00**

A very unusual long chain, offered by The Gilded Lily. Made in 18ct yellow gold, this exceptional chain is super easy to wear. It has no clasp but is long enough to go three times around the neck. It is very flexible, being made up of interwoven ring links. Probably Italian but no hallmark. Circa 1960.
