

**Charm (scissors and comb) in 9ct Gold date circa 1960, Lilly's Attic since 2001
£150.00**

Q: What is scissors over comb?

A: You'll hold the scissors in your dominant hand and cut off hair sticking past the comb, holding the blade parallel to the comb. It's important to keep your scissors blade moving as you cut each section of hair for smooth and consistent ends.
