

**Gold Bracelet in 9ct Gold date circa 1970, Lilly's Attic since 2001
£985.00**

The wearing of jewellery for adornment and ritual may have started as far back as 7,000 years ago, and archeologists have found evidence that people wore bracelets in ancient Egypt, Mesopotamia, and China. Early bracelets were made of grasses, slender tree limbs, and shells, then copper and bronze.
