

## **Rolex Milgauss 116400GV Oystersteel Z-Blue Dial** **£9,500.00**

The old saying "blue and green should never be seen" was ripped apart and thrown in the bin by the designers at Rolex. The combination of green glass with its stunning blue dial and orange detail puts this watch in a class of its own.

Reference number 116400GV, rumoured to be discontinued has rocketed in popularity. It comes with a 40mm anti magnetic steel case, smooth steel fixed bezel, steel oyster link bracelet, green sapphire crystal and Z-Blue dial. Its powered by Rolex's calibre 3131 automatic movement.

Year of this watch is 2017 approx.  
Supplied with its original Rolex box and WatchRegister Certificate  
Comes with 12 months guarantee

Antique ref: 116400
