

Heart Padlock Clasp in 9ct Gold dated London 1967, Lilly's Attic since 2001

£275.00

During the Victorian era, the gifting of a "gate" bracelet--with its characteristic padlock heart clasp--symbolised love and fidelity. In this charming version, a fancifully decorated padlock clasp connects the bracelet's links, which are thoroughly hand-engraved on one side. Show some love.
