Large Fine Indian Lucknow Solid Silver Goblet Coriander Pattern - c.1870 £1,250.00

This antique Indian solid silver large goblet was made in the Lucknow region c.1870.

This goblet features an unusually large size with an excellent high quality finish making it a magnificent rare piece of fine Indian silverware.

The goblet presents a 'coriander pattern' engraving on the exterior with a gilt inner cup.

The cup is supported by an elegant thin neck and a widened base with further intricate engravings on all areas.

A blank cartouche is present in the front centre of the goblet.
