

## Gold & Pearl Locket Pendant with Magnifying Crystal | Georgian c.1830s POA

A beautiful English pendant from the 1830s, set in 18 carat gold with a delicate border of natural seed pearls.

The centre is a clear, domed crystal - magnifying from both sides - giving the piece a quiet glow and a sense of depth.

It was likely worn on a long chain and used as a visual aid or simply for the pleasure of its form.

There's something quietly tactile about it, and the scale (3.7cm across) gives it real presence without being heavy.

Simple, elegant, and full of character - a lovely piece to wear every day or layer into a collection.

(Chain not included.)

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
