Heuer Autavia GMT 1163 £8,500.00

We are fortunate to be able to add this stunning original Heuer Autavia GMT to our stock. A piece that will take centre stage!

It goes without saying a much sought after piece. This particular Heuer was purchased from the original owner's family appearing not to have been used much over the last few years whilst also keeping much of its originality.

It shows some marks, bumps and scratches as would be expected of a watch from the early 1970's. Worth noting the chip to the Pepsi rotating bezel by the 18 might be able to be polished up however
