

## **Bulgari Carbon**

**£1,150.00**

This super light Carbon case Bulgari measures 33mm in case size and comes complete with original box and papers dating the watch to 1987. It's hard to believe just how light this watch is and with an exhibition case back you can see the automatic movement at work.

Black carbon case with black dial and gold hour markers and hands with the date aperture to '3' and a gold coloured crown to match. In very good general condition and having just this month (Oct) having had a full and complete independent service in London.

Fitted to a brown signed leather strap and black buckle. Sapphire scratch resistant crystal.
