Diamond Ring in 18ct White Gold date circa 1990, SHAPIRO & Co since 1979

£2,750.00

The 1990s was a silver (White Gold) renaissance. The cool, sleek look of silver (White Gold) was favoured over the warmth of yellow gold, and many designers created jewellery pieces exclusively in silver (White Gold). The minimalist aesthetic that emerged in the 1990s favoured simple, clean lines and unadorned surfaces, which made silver (White Gold) a natural choice.
