Boucheron - 18k Yellow Gold Abstract Knotted Ribbon Brooch - info@marksjewellery.co.uk £3,250.00

A magnificent Boucheron brooch crafted in 18ct yellow gold, designed as an abstract knotted ribbon formed from finely articulated, textured gold links. This sculptural design captures the maison's mastery of form and movement — transforming gold into a dynamic, flowing structure that seems almost weightless.

Measuring 5 cm in length and weighing 14.5 grams, the brooch showcases Boucheron's renowned ability to balance bold architecture with refined detail. The piece is signed and numbered, underscoring its authenticity and collectible importance, and is accompanied by its original Boucheron presentation box.

An exceptional example of mid-20th-century Parisian craftsmanship, this brooch embodies the timeless elegance and innovative spirit for which Boucheron has been celebrated since 1858.
