Downstairs at Grays: A very fine pair of Vintage Colombian Emerald and Diamond Drop Earrings, in 18ct. White Gold (tested), Continental Marks. Circa 1950
POA

A very fine pair of Colombian Emerald and Diamond Drop Earrings, in 18ct. White Gold (tested). A pair of graduated (4) Diamond drops, suspending two articulated Pear Shaped Diamond set outlines (24), each earring also contains a beautiful Pear Shaped Colombian Emerald (2). These stunning Emerald and Diamond Earrings are accompanied by an independent report assessing the Emeralds as 2,75 Carats (total un-weighed), Colombian in origin, Colour Grade Green, moderately included with an indication of moderate oil. The (28) Round Brilliant Cut Diamonds have been assessed in their mounts as 4.40 Carats (un-weighed), of I - J Colour and VS2 - SI1 Clarity. These fabulous earrings currently have hinged fastenings (which if required, could be changed to modern post and butterfly fittings).

These remarkable gems have been Independently assessed (in their mounts), as 7.15 Carats in total, and the earrings weigh 10.45 gr. overall.
.
