

A lively pair of Vintage High Clarity, 2.80 Carat Diamond Cluster Earrings, in 14ct White Gold, Circa 1970
£9,450.00

A very fine pair of 14 ct. White Gold (stamped and tested) Diamond Cluster Earrings; the classic easy to wear Diamond cluster Earring. Each comprising of a central raised claw set Round Brilliant Cut Diamond, surrounded by a further six, very well matched, Round Brilliant Cut Diamonds (fourteen Diamonds in total). These beautiful Diamond Earrings are accompanied by an independent Gemmologist's report assessing the Diamonds weight as being of 2.80 Carats total, of G-H Colour and VS1 - VS2 Clarity; cut grade: Very Good. Please note that it is very unusual to find multi-Diamond set jewellery with clarity grading in excess of VS - SI. They are truly an excellent pair of high clarity, very lively earrings. For extra security, they also have their original screw post fittings and fasteners, we can arrange conversion to plain posts, should this be preferred.

Continental. Circa 1970.
