

Diamond Half Eternity Ring in 18ct White Gold | English c.1970s POA

A quietly luxurious piece from the 1970s, this British-made half eternity ring is crafted in 18 carat white gold and set with 0.70 carats of natural diamonds in an elegant alternating pattern of baguette and brilliant cuts.

The stones are graded VS1 clarity and G colour, offering bright, clean sparkle with minimal distraction.

Sleek and refined, this piece sits low to the hand for easy everyday wear, and layers beautifully with engagement or stacking rings.

Fully hallmarked in London and offered in UK ring size L½, it reflects the clean, architectural sensibility of its era - ideal for those who favour subtle detail over flash.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London
