

Agate Cabochon Signet Ring in 9ct Gold | English Hallmarked c.1980s POA

A sculptural English signet ring from the 1980s, set with a deep cabochon agate into a solid 9 carat gold mount.

The setting is clean and minimal, with wide, tapered shoulders and a smooth mirror polish - a design that feels both contemporary and rooted in tradition.

The agate is subtly domed, opaque with a faint translucence, and bezel-set to sit low and secure in the gold.

The warm, mellow tone of the 9ct setting complements the natural stone beautifully, giving the piece a quiet, grounded elegance.

English hallmarked and sized U, it's a substantial yet unfussy unisex ring - ideal for daily wear, statement pinky styling, or those who appreciate jewellery with a sense of purpose and permanence.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
