

Unheated Ceylon Sapphire & Diamond Gypsy Ring | 18ct Gold POA

A bold and sculptural 1980s gypsy ring, set with a 1.45 carat natural unheated Ceylon sapphire, flanked by two brilliant-cut diamonds, all flush-set in solid 18ct gold.

The sapphire is a clear, open blue - beautifully proportioned, and prized for its untreated origin - while the diamonds, totalling approximately 0.20 carats, bring light and balance without competing for attention.

The gold band is substantial and smooth, with softly rounded edges and a mirror-polished finish.

It's a design that feels assertive but elegant - minimal on the surface, but full of intention.

Made in Europe at a time when classic forms were reinterpreted with precision and strength.

A ring with weight, clarity, and edge - equally striking on its own or layered with a vintage stack.

Size L, and resizable.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
