

**Asprey & Garrard Diamond Dr Martens Brooch Pendant by Asprey & Garrard | 9ct Gold, British Hallmark 2001
POA**

A limited edition brooch and pendant by Asprey & Garrard, made in London in 2001 and shaped as a miniature Dr Martens boot.

Crafted in solid 9 carat gold with a soft satin finish, the piece is accented with tiny diamonds set into each lace eyelet - a brilliant clash of subculture and high craft.

The form is unmistakable: from the softly rounded toe and thick sole to the exaggerated tongue and loop at the heel.

The reverse is fitted with a brooch clasp and a concealed loop so it can also be worn as a pendant.

Hallmarked with English gold marks and housed in its original Asprey & Garrard presentation box.

Made at a moment when Asprey & Garrard was reviving its legacy with bold, unexpected commissions, this piece stands as both a design object and a cultural nod.

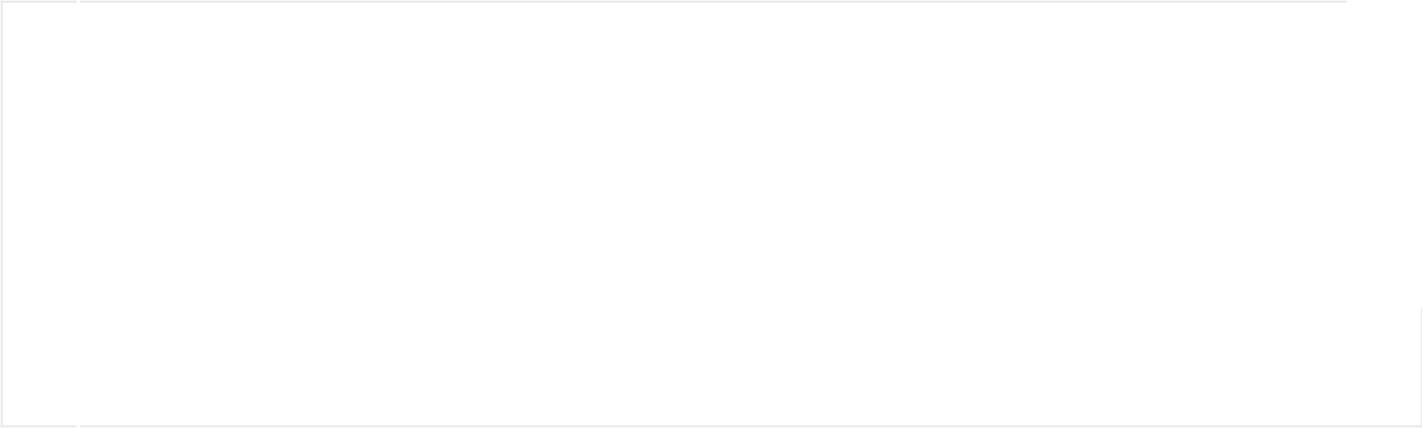

It is playful, meticulously made, and not something likely to appear again soon.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
