

**Vintage Chaumet Anneau Dome Ring | 18ct Yellow Gold , c.1990**  
**£2,250.00**

The Anneau ring by Chaumet, introduced in the early 1990s, has become a cult classic of modern French jewellery.

Often compared to Cartier's Nouvelle Vague, it stands out for its purity - no pavé, no motifs, just form, proportion, and gold.

This vintage example is crafted in 18ct yellow gold with Chaumet's signature rounded dome profile.

Bold in volume but pared back in detail, it feels sculptural, minimal, and quietly luxurious.

The softly curved inner band makes it effortless to wear - designed not just to be seen, but lived in.

Signed CHAUMET PARIS with French hallmarks including the eagle's head for 18ct gold, and a unique serial number.

Made in France. UK ring size L.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
