

Rose Cut Diamond & 18ct Gold Cluster Ring | Georgian c.1830s POA

A beautiful and romantic Georgian floral diamond ring, crafted in 18 carat gold with a silver topped setting.

At its centre sits a softly glowing rose cut diamond, surrounded by a naturalistic cluster of smaller rose cuts arranged like delicate petals. The diamonds are set over foil in a closed back mount, typical of the period, with openwork shoulders leading to a solid gold shank.

Made in England circa 1830.
