

Circular Art Deco Brooch POA

A striking Art Deco circular brooch, showcasing the bold geometry and fine craftsmanship synonymous with the period.

The brooch is intricately detailed and set with natural diamonds, their brilliance creating a dramatic contrast against an onyx surround.

The strong monochrome palette and precise circular form are classic Art Deco hallmarks, resulting in a piece that is both elegant and visually powerful.

Designed to be worn as a statement accessory, this brooch exemplifies the glamour and sophistication of early 20th-century jewellery design.

A timeless and versatile piece, equally suited to collectors or those seeking an iconic Art Deco accent.
