

**Cartier Rope Hoop Earrings in 18ct Gold | Parisian Design c.1970s with
1930s Box
POA**

A quintessential expression of Cartier's mid-century design mastery, these 18ct yellow gold ropehoop earrings blend sculptural simplicity with effortless luxury.

Crafted in France in the 1970s, their bold twisted form is iconic yet wearable - an enduring silhouette that feels as modern today as it did fifty years ago.

Measuring 2.5cm in diameter and stamped with full Cartier hallmarks, they come presented in a vintage red Cartier box dating to the 1930s - a rare and elegant detail that adds depth, value, and provenance.

The perfect balance of minimalism and legacy, these earrings are as suited to collectors as they are to everyday style connoisseurs.

Exclusively available at ELTONS, Grays Antique Market, Mayfair.
