

French Woven Bracelet in 18ct Gold & Silver | c.1900s POA

An antique French bracelet, c.1900, woven from 18ct gold and silver.

The construction is intricate and finely textured - each link interlaced to create a smooth, flexible surface with subtle contrast between warm and cool tones.

Measured at 21cm long and 1.8cm wide, it sits close to the wrist with natural movement. It weighs 60.8g and bears French hallmarks confirming its origin and gold purity.

Substantial, refined, and quietly sculptural - a rare example of early 20th-century metalwork at its most wearable.

Available exclusively at ELTONS, Grays Antique Market, Mayfair, London.
