

Antique French Tassel Earrings in Enamelled 18ct Gold | c.1880s POA

A pair of antique French tassel earrings in 18ct yellow gold, made circa 1880.

Each drop features a criss-cross enamel design in deep cobalt blue, tapering into fine gold chain tassels finished with delicate gold beads.

Light on the ears, with beautiful movement and intricate detailing throughout.

Stamped with French marks. Approximately 5cm long.

A rare and beautifully made pair from the late 19th century.

This piece is available to purchase online at www.eltonantiquejewellery.com.
