

Antique White Natural Jade Pendant POA

Natural white Jade Pendant C1850.

Hetian Jade is often used to symbolise purity, elegance, health and strength and is considered a symbol of good luck and fortune..

The shaped rectangular pendant is carved with a natural scene of a fruit tree and two carp (symbolising good luck) swimming in the stream.

The semi-translucent stone is white colour and is pierced for suspension on a red cord and set on a 18ct gold stylised bail (mounted in the 70's).

Length of Jade Pendant: 62.7 mm

Width: 72.0 grams.

Beautifully elegant and graceful.....
