£1,850.00

A striking and sophisticated Coral and Diamond ring, beautifully handcrafted in 18ct yellow gold and hallmarked 750. This bold design features a smooth cabochon of warm, natural salmon coral, seamlessly accented by a glittering marquise-shaped setting of 26 round brilliant-cut diamonds, totalling approximately 0.80 carats.

The coral's soft hue contrasts elegantly with the brilliance of the diamonds, creating a harmonious balance of texture, colour, and light. Sculptural yet feminine, the ring embodies mid-century glamour with a modern, wearable edge.

This is an exquisite statement piece — graceful in form, luxurious in materials, and timeless in appeal.
