

Fine Aquamarine Pendant, 7.6ct - British, 1950s **£3,800.00**

A beautifully cut 7.6ct aquamarine drop, set in 18ct gold and suspended from a fine platinum chain. British, c.1950s - the design is simple, refined, and perfectly weighted.

The stone is cool in tone, with clean facets and soft depth of colour. The platinum chain measures 46cm, and the pendant hangs at 3cm - just long enough to catch the light.

Uncomplicated and quietly striking - designed to be worn, not saved.

Favoured in mid-century British design, this architectural drop form reflects a shift toward light, line, and natural elegance in post-war jewellery.

Available exclusively at E L T O N S, Grays Antique Market, Mayfair, London.
