

### **Piaget Twisted Bracelet in 18ct Yellow Gold | Italian, 1994 POA**

An 18ct yellow gold bracelet by Piaget, made in Italy in 1994.

Its softly twisted form is bold yet refined - a clean, sculptural line typical of the house's goldwork in this period.

Measured at 19.5cm, it's fluid on the wrist and beautifully made.

Signed Piaget A31606 and hallmarked P\*G 750, confirming its origin, model, and gold purity.

Made with the sculptural and refined gold work Piaget is known for.
