

1 Carat Old European Cut Diamond Stud Earrings in 18ct Gold **£2,750.00**

A quietly beautiful pair of Old European cut diamond studs, totalling 1.00 carat.

Each stone is approximately 0.50ct - finely proportioned, with the soft, open sparkle that only early hand-cut diamonds can offer.

The stones are H in colour and VS–SI in clarity: bright, clean, and full of life.

Set in modern 18ct gold fittings for a simple, effortless finish - secure, close to the ear, and made for real-world wear.

Elegant, natural, and entirely unforced - a modern classic, with a past.

Available exclusively at E L T O N S, Grays Antique Market, Mayfair, London.
