

Old Cut Diamond Stud Earrings in 18ct Gold, 0.60 Carats Total £1,850.00

A pair of old cut diamond stud earrings with a gentle, time-worn brilliance.

The stones - approximately 0.60 carats total - carry the character and soft light-play unique to early hand-cut diamonds.

Set simply in modern 18ct gold fittings, allowing their quiet charm to speak for itself.

Understated, timeless, and easy to wear - these earrings sit close to the ear and suit both daily wear and evening simplicity.

For those who favour natural beauty and historical elegance over brilliance without soul.

Available exclusively at E L T O N S, Grays Antique Market, Mayfair, London.
