Price: £695.00

Vintage Heuer Stopwatch 542 838 | Rally Timer | Swiss Precision

This vintage Heuer Stopwatch 542 838 hails from an era when Heuer dominated the world of precision timing. Originally designed for team rallying, this I.F.R. stopwatch was once housed in a Heuer Monte Carlo box. A true collector's item.

Key Features:

57mm x 57mm Bakelite black plastic case – Lightweight and durable.

60-second per revolution timing – Activated via the top right pusher.

0-12 minute disc display – Clear and easy-to-read format.

Manually wound movement – Smooth and reliable operation.

Black dial with original lume minute counters – Enhancing visibility.

White hand with faded orange tip – Naturally aged, reflecting its genuine history.

Condition & Details:

Signs of wear and use – A well-loved tool with real rallying history.

Fully functional and accurate – Working perfectly despite its age.

Authentic patina – Adds to its vintage charm.

Why Buy This Heuer Stopwatch?

Rare and historic timepiece – A true piece of motorsport heritage.

Perfect for collectors or rally enthusiasts – Functional and display-worthy.

Authentic wear and character – A stopwatch that tells its own story.

If you're searching for a flawless, unused example, this may not be for you. But if you appreciate the beauty of a well-used, race-tested instrument, this is an unmissable opportunity!
