Omega Seamaster 166.0216 | 1977 Vintage Automatic Watch | Rare Blue Dial

This Omega Seamaster 166.0216 embodies the classic 1970s vintage aesthetic, offering both style and substance. With its stainless steel cushion-shaped case measuring 35mm x 40mm, it provides a comfortable and balanced fit for most wrists. Beyond its excellent wearability, the standout feature is its hard-to-find navy blue dial, making it a true collector's piece.

Key Features of the Omega Seamaster 166.0216:

35mm x 40mm stainless steel case – Iconic cushion-shaped design.

Rare navy blue dial – A striking and hard-to-find feature.

Day & Date window at 3 o'clock – Practical and stylish.

Silvered baton hour markers with white infill – Enhancing legibility.

Original Omega steel crown – Maintaining authenticity.

Stainless steel Omega bracelet with double-fold clasp – Fits wrists up to 17.5cm.

Plexiglass crystal – Classic vintage charm.

Condition & Authenticity:

This vintage Omega Seamaster remains in excellent original condition. The dial is in great shape, with only a minor mark above the 8-hour marker. The bracelet is in superb condition, with no polishing done, preserving its authentic vintage feel. Expect some minor scratches and marks, consistent with its age.

Note: Due to its age and plexiglass crystal, we do not consider this watch to be waterproof.

Performance & Movement:

Automatic Omega Caliber 1022 movement – Reliable and accurate.

Running at +15 seconds per day – Fully checked by our watchmaker.

Not fully serviced (as it wasn't required), but guaranteed for 12 months.

Why Buy This Omega Seamaster?

A beautiful vintage Seamaster with a unique blue dial – A true rarity in the market.

Affordable for a 1970s Omega – A genuine collector's piece for under £1,000.

A perfect blend of vintage charm and everyday practicality.
