

1970s Faceted Amethyst Bead Necklace with Gold Clasp **£1,300.00**

A vintage 1970s strand of faceted natural amethyst beads, strung on silk and finished with a tested gold bolt clasp.

The approximately 1450 carats of individually hand-cut beads shimmer softly with every movement, reflecting a rich violet hue - elegant, calming, and timeless.

The strand is subtly graduated, with bead sizes ranging from approximately 4mm near the clasp to around 12mm at the centre.

Total length: approximately 73cm (29 inches)

Weight: approximately 288 grams

Fastened with a gold clasp.

A refined and versatile jewel from the 1970s - perfect for layering or wearing alone, and a thoughtful gift for those born in February or drawn to the enduring symbolism of amethyst.
