A now discontinued model.

Introducing the Swiss Military Hanowa 06-4280.04.003.10.CH – a refined timepiece that combines Swiss precision engineering with rugged military-inspired design. Whether you're on a mountain trail or navigating a busy workday, this watch is built to handle it all while keeping you looking sharp.

This model features a 42mm round stainless steel case with a deep blue dial accented by luminescent Arabic numerals, markers, and hands for optimal readability in all conditions. The crystal is made from scratch-resistant sapphire glass, ensuring long-lasting clarity and durability.

Powered by a Swiss Quartz movement, this watch offers dependable accuracy with minimal maintenance. A brown genuine leather strap and tang-type steel buckle complete the look, delivering both comfort and classic style.
