

**Omega Seamaster 165.022**  
**£1,450.00**

#### Description

Watch: Omega Seamaster 165.022

Stock Number: CHW6230

Price: £1450.00

A really very fine example of vintage Omega Seamaster from the 60's fitted to an Omega bracelet (clasp code 1503/1) and provided with its original box and a previous service document from 2024.

Slightly more unusual than many similar models with a beautiful sunburst silver dial with gold edged coloured baton hour markers and hands giving a lovely look and feel to the watch. Dated to 1966 by the serial number.

Automatic movement that runs at around +12 seconds per day this is powered by the legendary 552 calibre that gives a power reserve of up to 50 hours. A healthy Amplitude to.

34mm steel case (36mm with crown). Omega signed crown and fitted to an Omega signed bead of rice bracelet to fit a wrist to 17.5cm wrist (2 spares links come with the watch).

A really lovely version of a Vintage Omega Seamaster in great all round condition and nice working order. An added bonus to have the box, full links and a recent service.

Condition - excellent for a vintage watch but should be noted purposely left unpolished and original so will show some blemishes including on the plexiglass but in our view certainly nothing significant to take away from this beautiful watch.

Box is a little tatty as can be expected and comes in 2 parts as hinges are broke, outer box also included.
