£1,200.00**

Watch: Omega Automatic KL6312
Stock Number: CHW6074
Price: £1200.00

A classic 60's Automatic Omega, gold plated and presented in its original box too! Silver Sunburstdial with gold baton hour markers to match the gold plated 35mm case, crown and bracelet.

Fine working order throughout this 1965 watch is a statement piece from the era for sure. Operating from a 560 Calibre movement that powers this automatic watch.

Omega signed crown, bracelet original to the watch as well. Double fold clasp to fit a wrist to 18.5cm.

Running exceptionally well at +7 seconds per day with a healthy amplitude this is a great reading for a watch of this age with the watch having just passed through our workshop.

Condition - Left unpolished there are going to be marks and minor scratches to the case and plexiglass. Some light discoloration to the bracelet.
