

Double Banded Agate 18ct Gold Shield Signet Ring | Edwardian 1901 POA

A striking British signet ring made in 1901, set with a uniquely double banded agate stone and mounted in 18ct gold.

The agate is beautifully cut into a crisp shield shape, and the two natural parallel double bands run diagonally across it.

The 18ct gold shoulders are lightly engraved with scrollwork.

The ring bears full English hallmarks: an anchor for Birmingham, a crown and "18" for 18ct gold, and the date letter "b" for 1901.

Ring size M. Excellent condition.
