

**Sapphire Diamond Ring in 18ct Gold date circa 1970, SHAPIRO & Co since 1979**  
**£3,750.00**

Italian jewellery in the 1970s was characterised by bold, often extravagant designs influenced by the disco era, Op Art, and Pop Art movements. The decade saw a resurgence of interest in birthstones, as well as a focus on luxury and celebrity-inspired styles. Jewellery suites and parures were popular, and statement pieces like bold bracelets and rings were common. The September birthstone is sapphire.
