South Sea Pearl and Diamond Ring
POA

This exquisite ring features a stunning combination of 18 carat yellow gold and platinum, set with twenty three round brilliant cut and pear shaped natural diamonds totaling 0.65 carats in F/G colour, enhancing it's brilliance.
The centrepiece is an impressive large South Sea Akoya pearl measuring between 15.27 - 16.30 mm, surrounded by fifteen cultured pearls that beautifully complement the luxurious design.
Independently certified.
Akoya Pearls are well - known for their superior lustre and colour, and almost flawless appearance.
