Recently undergone a full comprehensive service we are pleased to offer this immaculate condition Cartier Panthere 187949 watch with a 12 month guarantee, insured next day shipping (collection from Mayfair, London) and an original Cartier Pouch.

In fine condition throughout this watch defies its years having estimated to be from the early 1990's. Lug to lug 31mm case top to bottom 27mm stainless steel case with yellow gold bezel and fitted to the original Cartier 1 row of gold bracelet to fit a wrist to 16cm.

Recently polished condition wise this watch is a strong 9/10. Bracelet barely shows a mark, dial free of any scratches and the dial has very little discolouration that can only be seen up close to the edges.

Classic Cartier ivory dial with black roman numeral hour markers, the date at 5 and those classic Metallic blue hands. Quartz battery powered.

18ct gold bezel. Blue stone intact in crown.

Condition - 9/10 (excellent)
Value - under £3500 (exceptional)

Our View - you will struggle to find a nicer example of this classic Cartier.
