Pre-owned and in excellent condition. Light surface wear consistent with minimal use. Crystal and dial are flawless. Strap in very good condition with light signs of wear near the buckle.

Our View:

This is one of the most elegant and functional pieces in the Maurice Lacroix Pontos line, offering clear legibility, dual-time capability, and a highly versatile silver dial. It delivers premium features at an excellent value, standing out with its "Grand Guichet" big date and finely balanced design. A hidden gem in the world of Swiss luxury GMTs — equally at home in the boardroom or on international travels.
