Omega Geneve 993 | 9ct Gold | 34mm | 1961 | Calibre 600

Fresh from a recent service and fitted with a brand new strap, this rare Omega Geneve reference 993 is presented in beautiful condition. Housed in a 34mm 9ct gold case, the watch features a timeless silvered dial with gold-coloured hour markers and a naturally pitted patina that enhances its vintage charm.

The slim, elegant case design with prominent lugs showcases the understated refinement Omegas was known for in the early 1960s. Powered by the reliable manual-wind Calibre 600 movement, this Geneve combines lightweight comfort with a classic, sophisticated aesthetic.
