Cartier Basculante 2386 | 22x32mm Stainless Steel | Full Cartier Service | New Blue Strap | 24-Month Warranty

Fresh from a complete overhaul at a Cartier-approved workshop, this Cartier Basculante 2386 comes with a brand new Cartier blue leather strap, presented in a Cartier service pouch. The service included a full quartz service, new movement, new crown, replacement seals, and a pressure test to 30 meters — giving peace of mind and impeccable performance.

Measuring 22 x 32mm, the stainless steel case is fitted with a sapphire scratch-resistant crystal and houses the classic Cartier white dial with bold black Roman numeral hour markers. The watch is powered by a precise quartz movement, ensuring reliable, low-maintenance timekeeping.

With its distinctive reversible case design and freshly renewed components, this Basculante is ready for many years of elegant wear.

Our View:

The Basculante is one of Cartier's most distinctive and mechanically interesting designs, and finding one in this condition — freshly serviced by Cartier with a new movement and strap — is rare. With its clean Art Deco styling and reversible case, this is the perfect dress watch for a collector who wants something different from the mainstream Cartier icons.
